

An Overview of God's Timeline

www.godstimeline.net

How did we determine that the 70th week began in 2007 and ends in 2014?

Well, it all began by questioning the Lord as to the length of the “*generation*” spoken of by Christ in Matthew 24:34. The Lord began to open up His word bit by bit, showing that the “*generation*” was 40 years long.

Go to www.godstimeline.net and click on the section entitled “**Charts and Commentaries**” (available in both Word and PDF formats). Please look specifically at the chart entitled “**The Generation to Israel**”.

In that chart you can see that Israel was reborn in the Spring of 1948 as previously prophesied by God in scripture (see Isaiah 66:7-8 and Ezekiel chapter 37). Israel ceased being a nation in 70 A.D. However, the Lord prophesied that He would bring Israel back into existence as a nation just prior to the time of His Second Coming.

The newly reborn nation of Israel went through a period of growth and childhood from 1948 to 1967. This period of “childhood” is supported by the scriptures listed on the chart at the website. Please review these references to see if this is scripturally true.

God reckons adulthood as “*twenty years old and upward*” (Numbers 1:45). In Matthew 24:32, Jesus said “*Now learn a parable of the fig tree (ISRAEL); When his branch is yet tender (CHILDHOOD), and putteth forth leaves (IN GROWTH-SPRING REBIRTH), ye know that summer is nigh*”.

What follows Spring?

Summer!

Guess what? After 19 full years of childhood were completed and Israel entered their 20th year, the Six Day War occurred in the Summer of 1967!

Look at Numbers 1:3-“*From twenty years old and upward, all that are able to go forth **to war** in Israel...*”.

In June of 1967 Israel captured the totality of Jerusalem and the Temple Mount.

Guess what?

It’s SUMMER!

Now you can see what Christ meant when He said “*summer is nigh*”!

Matthew 24:32-“*Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, **ye know that summer is nigh**: 33: So likewise ye, when ye shall see all these things, know that it is near, even at the doors. 34: Verily I say unto you, This generation shall not pass, till all these things be fulfilled*”.

Now we come to the “*generation*”!

Look at the chart again...notice (as it pertains to the nation of Israel) that the “*generation*” is shown to be 40 years in length (see the scripture references listed on the chart). The “*generation*” that witnesses the rebirth of Israel and her growth (shooting forth of leaves) is the “*generation*” that will not pass on into another one until the time “*determined*” upon the nation of Israel is fulfilled.

What time “*determined*”? How much time is left or remains **TO** the nation of Israel?

The 40 year “*generation*” is **TO** the time “*determined*” upon the nation of Israel and the city of Jerusalem as stated in Daniel 9:24! And the time that remains and is “*determined*” upon the nation of Israel is the 70th Week of Daniel (see Daniel chapter 9:24-27)!

In other words, the 40 year “*generation*” is going to take you UP TO the beginning of the 70th Week!

Just as spring is followed by summer, summer is followed by fall (please read the chart entitled “**The Comings of the Lord**” at the website). The First Coming was

fulfilled at the Spring feasts of the Lord (Passover, etc). The Second Coming will be fulfilled by the Fall feasts of the Lord (Feast of Trumpets, etc).

The first fall feast is Rosh Hashanah (the Feast of Trumpets). Just as Christ fulfilled the First Advent as our Passover Lamb on the FIRST spring feast (that of Passover), so will He fulfill His Second Coming on the FIRST fall feast (that of Rosh Hashanah/the Feast of Trumpets)!

Now look back at the chart entitled **“The Generation to Israel”**.....you can see that the summer of 1967 was Israel’s 20th year (since rebirth) and a war was fought resulting in the unification of Jerusalem (*“thy holy city”*-see Daniel 9:24). **What happened then?**

Israel, fearing further Moslem uprising and violence, gave back control of the Temple Mount to the Arabs! God has previously said *“The land shall not be sold for ever: for the land is mine; for ye are strangers and sojourners with me”* (Leviticus 25:23).

What did Israel basically do? Israel basically *“sold”* the land for the purpose of keeping the peace with the Arabs! This resulted in the 40 year generation of chastisement! Do you recall how long God made the Israelites to wander in the wilderness after grumbling against Him (after bringing them out of bondage in Egypt)? Yes, forty (40) years!

So the 40 year *“generation”* began in the fall of 1967 on Rosh Hashanah. Counting 40 years forward from Rosh Hashanah of 1967 brings you to Rosh Hashanah of 2007 for the beginning of the FINAL TIME remaining or *“determined”* to the nation of Israel.

After that 40 year generation is over, a total of seven years (commonly known as the Seventieth Week of Daniel) remains to the nation of Israel before the Second Coming of Christ.

The 70th Week began on Rosh Hashanah of 2007 when the 40 year generation expired. The Lord returns seven years later on Rosh Hashanah 2014 according to the typology given in the Genesis account!

The entirety of *“the time of Jacob’s trouble”* (Jeremiah 30:7) is shown (**IN TYPE**) in Genesis chapters 28-32. I am also going to show you (from Scripture) the *“day of the Lord”* and when it began.

Look at the chart entitled **“The Time of Jacob’s Trouble”** on the website. It will also greatly help your understanding if you read Genesis chapter 28 and 29 to refresh yourself with the story of Jacob and Laban.

In the Genesis account, Jacob goes to his distant relative Laban (related to Jacob through Ishmael, via Abraham) seeking a wife (Rachel). Jacob sets the terms (agreement) for obtaining Rachel as his wife. God’s narrative states that Jacob served *“seven years”*, *“yet seven other years”*, and *“yet seven other years”* (see Genesis chapter 29) for a total of 21 years.

Jacob served the initial seven years for Rachel in great anticipation of getting the woman he loved. Laban then throws a feast (Feast of Trumpets/Rosh Hashanah-getting Jacob drunk so he would not realize that he was being tricked) and then substitutes the elder daughter (Leah) for Rachel. The next morning (after Jacob wakes up from his hangover) he discovers that he has consummated marriage with the wrong woman!

Jacob (having been lied to) then agrees to serve Laban *“yet seven other years”* fulfilling Leah’s *“week”* (seven years). On his promise to serve *“yet seven other years”*, Jacob gets Rachel as his wife. Jacob now has two wives and serves the 2nd set of seven years. This 2nd *“week”* is a time of great distress for Jacob.

The labor for the two wives is completed by Jacob (14 total years of service). After the completion of the two *“weeks”* of labor for both wives, God states that Jacob *“served with him (Laban) yet seven other years”* (Genesis 29:30). This is the 3rd set of seven years in the totality of the time of Jacob’s Trouble.

Jacob served six of the final seven years for his *“wages”*, *“cattle”*, and *“goods”* (Genesis chapter 30-31). After completing the 14 years of service for the two wives, Jacob ceases his labor and rests. This is the Sabbatical Year of *“rest”* typified by the Creation account itself (God created the world in six days and rested on the seventh day-the Sabbath).

Once the Sabbatical Year of rest is over, Jacob goes to Laban and tells him that he wants to leave. Laban asks Jacob to stay and a discussion takes place between them on how Jacob is to be paid (his wages). The final six years of the last seven are concerning/characterized by Jacob's "economy".

Near the end of the final set of seven years, Jacob flees from Laban who has grown hostile toward him because of envy. Rachel steals her father's "*images*" (the false gods that Laban and Rachel worshipped) unbeknownst to Jacob. Laban catches up with the fleeing Jacob and demands to know why he stole his "*gods*". Jacob states that the one who stole them from Laban should die if Laban should find the stolen images in his family's possession.

Laban searches for the stolen images but does not find them. Rachel had hidden them in the trunk that she was seated on and uses the excuse of her menstrual cycle as the reason for why she cannot stand up in Laban's presence. Hence Laban does not discover that Rachel had stolen the images. Therefore Jacob and his family are saved by reason of the issue of "blood" from Rachel (which in Hebrew means "ewe lamb"). Laban then returns home, agreeing not to pursue Jacob.

Jacob and his family continue onward (away from Laban and back to the land that God had originally called him). Jacob learns (from scouting reports) that his brother Esau is headed straight for them with a band of armed men. Jacob, having previously tricked his brother Esau out of his birthright (see Genesis chapter 27), is frightened that Esau has now come to kill him and his family.

In desperation, Jacob prays to God for deliverance and wrestles with a "*man*" (see Genesis chapter 32) through the night until the breaking of the day. This "*man*" (Genesis 32:24-30) is none other than the Lord Himself. The Lord afflicts Jacob in the thigh and changes his name from Jacob to "*Israel*" (meaning "prince" in Hebrew). This is a type of the Second Advent, where Israel (typified by Jacob) is saved and made the head of the nations.

The entire time of Jacob's trouble is given in Genesis 28-32!

God says to *“Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me, (10) Declaring the end from the beginning, and from ancient times the things that are not yet done...”* (Isaiah 46:9-10).

God flat-out states that the former things are patterns or types of things yet future! Did the events of recent history ever match what you just read?

Did the nation of Israel (since her rebirth in 1948) ever experience anything that MATCHES the story of Jacob and Laban as found in Genesis?

Did a leader of Israel ever go to a distant relative (related through Abraham) seeking a peace accord, just as Jacob went to his distant relative (Laban) seeking a wife (the peaceful union of marriage)?

Believe it or not, in 1993 Yitzak Rabin (leader of Israel) went to Yassar Arafat (leader of the PLO) seeking a peace agreement between Israel and the Arab peoples. At Rosh Hashanah 1993 the Oslo Peace Accords were signed. Rabin (as Jacob did) went to Arafat (Laban) seeking peace (just as Jacob went to Laban seeking a wife/peaceful union of marriage).

The people to whom Rabin (Jacob) went to had to be distantly related (through Abraham) according to the type set forth in scripture. Guess what? Arafat was a descendant of Mohammed going all the way back to Ishmael! Both the Jews and the Arabs claim Abraham as their father. Not only that, but Ishmael was the offspring of Abraham and Hagar the Egyptian!

Guess what? **Yassar Arafat was Egyptian!** The typology is exact thus far.

Is this getting your attention? God is showing the pattern of Jacob’s trouble right here! God is showing you the future from the pattern of past events, just as He stated He would (see Isaiah 46:9-10). But the problem is that people will not remember *“the former things, neither consider the things of old”* (Isaiah 43:18).

Jacob wanted Rachel for his wife. Jacob promises to serve *“seven years”* (Genesis 29:20) for Rachel. After being tricked and deceived (lied to) by Laban, Jacob again

promises to serve “yet seven OTHER years” (Genesis 29:27) to fulfill Leah’s “week”.

Jacob then ceases laboring (typified by the Sabbatical Year of “rest”), having completed the 14 years of required service. God states that Jacob will also serve “yet seven other years” (Genesis 29:30), of which the last 6 years (of the total of 7) are for his physical sustenance/economy (the cattle, wages, and goods).

After the completion of the 14 years of service for the 2 wives, Jacob never agreed to serve for any stated length of time, even for the cattle, wages, and goods! God, in His foreknowledge (God states this as “yet seven other years” in Genesis 29:30), already knew how long Jacob would stay after the 14 years of service for the 2 wives were completed. And God also knew how long Jacob would serve for the cattle, wages, and goods (which is defined as the last 6 years of the total of 7)!

Count them....three sets of SEVEN years, each set DIFFERENT from one another and for DIFFERENT and SEPARATE PURPOSES!

Why? Because God is showing the totality of the “*time of Jacob’s trouble*”, as well as the feast and famine years of Joseph (see chart entitled “**The Years of Joseph**” at the website) as they relate to the 70th Week of Daniel!

In the account of Jacob and Laban...the first “week” (the first set of 7 years) in the Genesis account matches the seven year period from Rosh Hashanah 1993 to Rosh Hashanah 2000. See the chart again (“**The Time of Jacob’s Trouble**”).

Guess what? On Rosh Hashanah 2000, Arafat declared the Intifada (jihad, holy war) exactly seven years from when Oslo was signed! This matches Laban lying to Jacob in the Genesis account! Laban (as Arafat) had no intention of honoring his word to Jacob (Israel). Thus the SECOND set of 7 years (the 2nd “week”) was a time of great distress for Jacob (Israel).

Believe me, when Arafat declared the Intifada on Rosh Hashanah 2000, it came as a big surprise to Israel.

Israel thought that Oslo was their long-sought “peace and safety”! But it wasn’t!

1st Thessalonians 5:1-*“But of the times and the seasons, brethren, ye have no need that I write unto you. 2: For yourselves know perfectly that **the day of the Lord** so cometh as a thief in the night. 3: For when they (ISRAEL) shall say, Peace and safety (OSLO-ROSH 1993 TO ROSH 2000); then sudden destruction cometh upon them (THE INTIFADA-ROSH HASHANAH 2000), as travail upon a woman with child (THIS IS PAUL REFERRING YOU BACK TO THE GENESIS ACCOUNT OF THE TRAVAIL OF LEAH-WHICH IS A DIRECT REFERENCE BACK TO GENESIS 3:16 AND THE “SORROW” OF THE WOMAN); and they shall not escape (ISRAEL WILL NOT ESCAPE OUT OF THE “DAY OF THE LORD” OR JACOB’S TROUBLE...THE LORD STARTED IT AND WILL FINISH IT AS THEY ARE SAVED OUT OF IT--JEREMIAH 30:7). 4: But ye, brethren, are not in darkness, that that day should overtake you as a thief”.*

Paul is showing the beginning of the “day of the Lord” and that the “day of the Lord” would begin during this time of Jacob’s trouble.

At least the beginning of the “day of the Lord” should NOT have come as a “thief” to anyone, especially Christians! But guess what? Most Christians do not realize that the “day of the Lord” is simply that 7th day or the “last day” (see the chart entitled “**The Lord’s Day**” at www.godstimeline.net).

The “day of the Lord” (the “last day” or the “7th day”) began on Rosh Hashanah 2000 with the completion of 6000 years of man’s dominion (the previous prophetic 6 “days” of 1000 years each that match the first 6 days of the Creation account-please see Second Peter 3:8)!

Regarding the “day of the Lord”, please see the charts entitled “**The Lord’s Day**” and “**Signs of the Times**” at the website. The latter is derived from a study of Joel chapter 2, detailing the historical fulfillments of the signs that the Lord said would occur before the “day of the Lord” began.

If Rosh Hashanah 2000 was the beginning of the “day of the Lord” (the “7th day”, the “last day”, the completion of man’s 6000 years/6 “days” of dominion), then all of the signs stated in Joel chapter 2 must be seen as having been fulfilled shortly before that “day” was to begin.

Did those prophesied signs occur before Rosh Hashanah 2000? The year 2000 was understood by both the Jews and the world to be the completion of 6000 years of man's recorded history.

Joel 2:30-*"And I (THE LORD) will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke. 31 The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come".*

Signs in the heavens: Comet Shoemaker Levi slammed into Jupiter and **broke into exactly 21 fragments (7-7-7)**. This shows that the entirety of Jacob's Trouble is 21 years, not 20 as some purport! This "21" will be very important when we get to page 11 of this article.

The alignment of the planets (termed "heavenly menorahs") that occurred in the year 2000...three blood red moons on Jewish feast days in the decade of 1990 to 2000...seven solar eclipses within this same 10 year period!

These signs in the heavens are historical fact. They did happen and they happened exactly as Scripture said they would! See the chart again for the volcanic activity ("pillars of smoke") that occurred in this 10 year period before the "day of the Lord" began on Rosh Hashanah 2000.

Now back to the time of Jacob's Trouble.....the 2nd "week" of Jacob's trouble ran from Rosh Hashanah 2000 to Rosh Hashanah 2007, which was not only the end of that 40 year "generation" (Matthew 24) to the time "determined" (Daniel 9:24) upon the nation of Israel before the 2nd Coming would take place, but also taking you up TO the beginning of the FINAL "week" (the 70th Week of Daniel)!

When Arafat made that "lied-to" agreement with Rabin, it was clear that he had absolutely no intention of giving Israel peace, for two years prior (in Brazil) Arafat (speaking for the PLO) had said that the PLO would NEVER give peace to Israel!

Oslo was a "lied-to" agreement just as Laban lied to Jacob! Just as Jacob thought he would get Rachel after serving 7 years for her, Israel thought they would get peace from the Arabs. Just as Jacob found out that he had been lied to, Israel

found out that they had been lied to as well. All of this occurred exactly 7 years after the agreement was made, and on Rosh Hashanah!

The second “week” of Jacob’s trouble ran from Rosh Hashanah 2000 to Rosh Hashanah 2007. This 7 year period (“week”) was a time of great distress for Israel, as it was for Jacob in the Genesis account. When Israel said “*Peace and safety*”, sudden destruction came upon them. Suicide bombings and acts of terrorism against Israel occurred in earnest during this 2nd “week”. You couldn’t turn on the TV or read the newspaper without seeing some type of bombing or terrorism in Israel by the Arabs during this period of time.

But as the seven years were coming to their conclusion, the suicide bombings and acts of Arab terrorism against Israel dropped off. **Why?** Because the 2nd “week” (and Jacob’s required time of service/labor) was coming to its conclusion and it was time for the Sabbatical Year of “rest”.

In that 2nd “week” in the Genesis account, Jacob served “yet seven *OTHER* years”, fulfilling Leah’s “week”. Once this was completed/fulfilled, Jacob’s labor ceased, typified by the Sabbatical Year of “rest” (Rosh 2007 to Rosh 2008).

Now would be a good time to look at the charts entitled “**The 1st Week of the Time of Trouble**” and “**The 2nd Week of the Time of Trouble**” at the website.

When the 2nd “week” of Jacob’s trouble ended just before Rosh Hashanah 2007, seemingly nothing happened in Israel.

Nothing was supposed to happen! The Sabbatical Year of “rest” (ceasing of labor by Jacob) took place from Rosh Hashanah 2007 to Rosh Hashanah 2008.

But on Rosh Hashanah 2008 (the END of the Sabbatical Year) guess what happened?

The stock market crashed!

What does the Genesis account say that Jacob was doing during part of that 3rd “week”?

It says that Jacob labored for the “wages”, “cattle”, and “goods”! Part of the 3rd “week” was characterized by MONETARY EXISTENCE or his (Jacob’s) ECONOMY!

Now get this....

On Rosh Hashanah 2008 (the end of the Sabbatical Year) God put the world on notice by orchestrating the collapse of the world’s stock market! On the eve of Rosh Hashanah, the stock market fell by the largest margin in recorded history.

It fell by 777.68 points!

The 3 sevens in the 777.68 was God’s way of pointing to the three SEVENS in the “*time of Jacob’s trouble*”!

The first 7 is the 1st week, the second 7 is the 2nd week, and the third 7 is the 3rd week! The .68 is God showing the year that this occurred, for on the Jewish calendar it was the end of the year 5768 (see the chart “**The Time of Jacob’s Trouble**” at the website for a visual aide).

It is God who is orchestrating this! This could not have been contrived by man!

Remember Comet Shoemaker Levi? It broke into 21 (7-7-7) pieces, showing that Jacob’s Trouble is NOT for just 20 years, but 21!

The pattern of 7-7-7 seen in the stock market crash (7-7-7) and the “*time of Jacob’s trouble*” (7-7-7) is showing the totality of the “*time of Jacob’s trouble*”. The total of Jacob’s labor (see page 12 of this article) was for 20 of the 21 years, which is why Shoemaker Levi broke up into 21 fragments---NOT just 20!

Only God could have orchestrated or made Shoemaker Levi to break up into 21 fragments, and not stop with just 20! **Why?** Because God was showing the entirety of the “*time of Jacob’s trouble*” (21 years=7-7-7)!

The **7-7-7** is not only pointing to the time of Jacob’s trouble, but it also is pointing to the three SEVENS that you find in the Book of Revelation (the 7 seals, the 7 trumpet, and the 7 vials---the pattern is shown from Genesis to Revelation and back again)!

During that 3rd week, the first year (of the total of 7 stated by God Himself as “yet seven other years”-Genesis 29:30) was the Sabbatical Year of “rest” followed by 6 years of labor (see Genesis 31:38 where Jacob gives the account of the 14 years served for Laban’s daughters and the 6 years of his labor for his material wealth-total of 20 years). Now would be a good time to look at the chart entitled **“The 3rd Week of the Time of Trouble”** on the website.

Genesis 31:41-**“Thus have I been twenty years in thy house...”**. Now comes the full explanation of **WHY** he was in Laban’s house for 20 years out of the total of 21! The scriptural explanation shows Jacob’s service for the two wives (14 years of labor) and his wages (6 years of labor) that he received!

“I served thee fourteen years for thy two daughters” (THIS FINALLY CEASING LABOR- HENCE THE SABBATICAL YEAR; AND THEN CEASING HIS LABOR FOR THE ACQUISITION OF ANYTHING) and six years for thy cattle: and thou hast changed my wages ten times” (THIS IS JUST A STATEMENT OF FACT! THAT HE WORKED SIX YEARS FOR LABAN’S LEFTOVERS/CATTLE - TO JACOB’S WEALTH)!

IT NEVER SAYS THAT FROM THE 14 YEARS THAT THE ENSUING 6 YEARS ARE CONSECUTIVE!

EITHER THE SCRIPTURES ARE TRUE OR THEY ARE NOT.

GOD PREVIOUSLY STATED “SEVEN YEARS” (GENESIS 29:20), “YET SEVEN OTHER YEARS” (GENESIS 29:27), AND “YET SEVEN OTHER YEARS” (GENESIS 29:30). THE TOTALITY (**21** YEARS=**7-7-7**) WAS GIVEN BEFORE THE STATEMENTS IN GENESIS 31:38-40 WERE GIVEN TO EXPLAIN WHAT JACOB WAS DOING DURING THAT 3rd “WEEK”.

During that Sabbatical Year of “rest”, Jacob was simply living in Laban’s household, earning his “keep”. Jacob was not working for any agreed upon “wages” during this Sabbatical Year! He was simply providing for his family.

It is not until Joseph is born (at the end of the Sabbatical Year) that Jacob goes to Laban and tells him that he wants to leave. Laban then asks Jacob to stay and they

agree upon how Jacob will be paid. Jacob is paid in “cattle”, “wages”, and “goods”. It is Jacob, not Laban, who sets the terms of payment.

The fall of the stock market was the “sign” from God that the final 6 years (in the total of 7) had begun until the 2nd Advent! But to find out about this “sign” in His word, you will find it within the “*time of Jacob’s trouble*” depicted by the set of three sevens. Hence the crash of 7-7-7 (.68)!

God, following His pattern previously given, is now dealing with the ECONOMY of the world!

The economy (from Rosh Hashanah 2008 onward) is going to be forever unstable. Economic unrest will build in intensity like a crescendo until the time (in the Great Tribulation) when the world will say “*A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine*” (Revelation 6:6).

During the Great Tribulation, the economy will collapse. Just look at the recent “bailouts” to the super-rich bankers already in motion. The super rich (“*oil and the wine*”) won’t be affected, while the middle class and the poor (“*measure of wheat for a penny*”) will be so destitute it is unbelievable!

What happened to Jacob and his family at the end of that 3rd “week”?

Jacob and his family leave and flee from Laban. Rachel had stolen her father’s “*images*” (Genesis 31:19). The issue in the typology is one of “idolatry”, for it is foreshadowing Revelation chapter 13 which states that the world will worship the “*image*” of the antichrist during the Great Tribulation!

Jacob and his family (representative of the remnant of Israel in the Great Tribulation) are fleeing to the land of Esau, which is where Israel will also be fleeing in the Great Tribulation because of the “*image*” and “*mark*” of the beast (antichrist)!

Rachel in Hebrew means “ewe” (a female sheep or lamb). Notice that the thing that saves Jacob (a type of Israel) from Laban is an issue of “**blood**”.

Genesis 31:34-“Now Rachel had taken the images, and put them in the camel's furniture, and sat upon them. And Laban searched all the tent, but found them not. 35: And she said to her father, Let it not displease my lord that I cannot rise up before thee; **for the custom of women is upon me (THE ISSUE OF BLOOD FROM THE “EWE” LAMB)**. And he searched, but found not the images”.

Do you see the beautiful typology? Israel (in the Great Tribulation) will be saved by the blood of the “Lamb” (finally) at the 2nd Advent! The unbelieving (in Jesus Christ) Jewish remnant of the Great Tribulation will be fleeing from the antichrist and the forced worship of his “*image*” (see Revelation chapter 13) and will be saved by the 2nd Advent of the “**Lamb of God**” Himself!

Genesis 32:3-“And Jacob sent messengers before him to Esau his brother unto the land of Seir, the country of Edom (**THE SAME PLACE WHERE THE JEWS OF THE GREAT TRIBULATION WILL BE FLEEING**)...6: And the messengers returned to Jacob, saying, We came to thy brother Esau, and also he cometh to meet thee, and four hundred men with him. 7: Then Jacob was greatly afraid and distressed: and he divided the people that was with him, and the flocks, and herds, and the camels, into two bands; 8: And said, If Esau come to the one company, and smite it, then the other company which is left shall escape. 9: And Jacob said, O God of my father Abraham, and God of my father Isaac, the LORD which saidst unto me, Return unto thy country, and to thy kindred, and I will deal well with thee: 10: I am not worthy of the least of all the mercies, and of all the truth, which thou hast shewed unto thy servant; for with my staff I passed over this Jordan; and now **I am become two bands (THOSE WHO FLEE AND THOSE WHO REMAIN IN ISRAEL DURING THE GREAT TRIBULATION)** 11: **Deliver me**, I pray thee, **from the hand of my brother, from the hand of Esau (AGAIN THE ARABIC/ISLAMIC NATIONS AS THE DESCENDANTS OF ESAU ARE ALSO DESCENDANTS OF ISHMAEL!)**: for I fear him, lest he will come and smite me, and the mother with the children (**WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED**)...24: And Jacob was left alone (**IN THE WILDERNESS JUST LIKE A REMNANT OF ISRAEL WILL BE IN THE WILDERNESS DURING THE GREAT TRIBULATION IN REVELATION 12:6**); and there wrestled a man with him until the breaking of the day. 25: And when he saw that he prevailed not against him, he touched the hollow of his

thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him. 26: And he said, Let me go, for **the day** (**SECOND ADVENT REFERENCE-SEE MALACHI 4:2**) breaketh. And he said, I will not let thee go, except thou bless me. 27: And he said unto him, What is thy name? And he said, Jacob. 28: And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed (**DIRECT CONTACT WITH GOD, GOD AFFLICING ISRAEL ONCE MORE, THEN CHANGING JACOB'S NAME FROM JACOB ["SUPPLANTER"] TO ISRAEL ["PRINCE"]—THIS TYPIFIES THE SALVATION OF ISRAEL AT THE SECOND COMING AND THE ASCENDENCY OF ISRAEL TO THE HEAD OF THE NATIONS**). 29: And Jacob asked him, and said, Tell me, I pray thee, thy name. And he said, Wherefore is it that thou dost ask after my name? And he blessed him there. 30: And Jacob called the name of the place Peniel: for **I have seen God face to face, and my life is preserved**".

Zechariah 12:10—"...and they (**ISRAEL**) shall look upon me (**CHRIST**) whom they have pierced, and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one that is in bitterness for his firstborn".

Remember that the type is the "woman" (ISRAEL- who flees from the antichrist and the forced worship of his image/mark of the beast) in Revelation 12 and her "man child" (Revelation 12:5), her Son! This is when the "Son of man comes IN HIS GLORY"! This is the Second Coming!

AMEN AND GLORY HALLELUJAH!

God gave the ENTIRE TOTALITY of the "time of Jacob's trouble" right there in Genesis. It is a total of 21 years, beginning on Rosh Hashanah 1993 and ending on Rosh Hashanah 2014.

Do you believe in "coincidences"?

You can't deny that these historical events occurred. They are history. Look them up.

You can't deny that these recent events happened seven years apart in succession. You can't deny that it was Israel who sought out Arafat for the

purpose of making a peace accord. You can't deny that the Oslo Peace Accords were signed a few days after Rosh Hashanah 1993. You can't deny that Arafat was Egyptian, just like the type detailed. You can't deny that (exactly seven years later on Rosh Hashanah 2000) Arafat declared the Intifada, officially breaking the Oslo peace agreement, which was a "lied-to" agreement in the first place!

You can't deny that these historically documented events exactly match the Biblical account and typology. You can't deny that the stock market fell by 777.68 points on the eve of Rosh Hashanah as the Sabbatical Year ended in the typology, signaling the beginning of the final 6 years before the Second Coming.

The 2nd Advent is coming on Rosh Hashanah 2014 to **BEGIN** a Sabbatical Year (which runs from Rosh 2014 through Rosh 2015). This **MATCHES** the PRECEPT given by God for the 7th day (the "*last day*").

What did God do on the 7th day of Creation?

He "*rested*" (Genesis 2:2)!

It is the Lord's "rest"! **He rested the WHOLE DAY, NOT part of it!**

The Second Coming is to give "*REST*" to Israel and the world! That is why the Second Advent **CANNOT** occur in 2015 as some prophecy teachers are now teaching!

Why? Because the Sabbatical cycle runs from Rosh Hashanah 2008 to Rosh Hashanah 2015, with the Sabbatical Year (the last year of the 7 year cycle) occurring from Rosh Hashanah 2014 to Rosh Hashanah 2015!

The Sabbatical cycle of Rosh 2008 to Rosh 2015 is as follows:

First year: Rosh 2008 to Rosh 2009

Second year: Rosh 2009 to Rosh 2010

Third year: Rosh 2010 to Rosh 2011

Fourth year: Rosh 2011 to Rosh 2012

Fifth year: Rosh 2012 to Rosh 2013

Sixth year: Rosh 2013 to Rosh 2014

Seventh year (Sabbatical year of “rest”): Rosh 2014 to Rosh 2015

The 21 years **(7-7-7)** of the “*time of Jacob’s trouble*” runs from Rosh 1993 up to Rosh 2014, with Christ returning and being crowned King of Israel on Rosh Hashanah 2014 (the Feast of Trumpets).

Christ is coming for the salvation of Israel **BEFORE** the Sabbatical Year begins! He rescues them **FROM** the time of trouble, saving them **OUT** of it, bringing them **INTO** His “rest”! So saith the Scriptures! Amen and amen!

So now you know the year of the 2nd Coming! The 70th Week of Daniel (running from Rosh 2007 to Rosh 2014) ends just prior to the beginning of the Sabbatical Year, which begins on Rosh 2014 and runs through Rosh 2015!

So when is the Rapture going to take place?

The Rapture is the catching away of the truly saved (born-again) Christians from the earth when Christ comes to resurrect the “*dead in Christ*” (see First Thessalonians 4:16).

Look at the chart entitled “The 70th Week & Days of Daniel” at the website.

The 70th “*week*” runs from Rosh Hashanah 2007 to Rosh Hashanah 2014.

Daniel 9:27-“... and ***in the midst of the week*** he **(ANTICHRIST)** shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations **(“WAR WITH THE SAINTS” AND THE KILLING OF THE FOLLOWERS OF CHRIST DURING THE GREAT TRIBULATION)** he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate **(THE ONE CAUSING THE KILLINGS—THE ANTICHRIST)”**.

The “*midst of the week*” is the entire 4th year on the chart, which runs from Rosh 2010 to Rosh 2011.

Daniel 12:11-“And **from** the time that **the daily sacrifice** (THE LIVING, PHYSICAL, AND SPIRITUAL SACRIFICE OF THE BELIEVERS THEMSELVES---NOT ANIMAL SACRIFICES IN A STONE-AND-BLOCK TEMPLE—SEE ARTICLE ENTITLED “REBUILT TEMPLE? at www.godstimeline.net) shall be taken away, and the abomination that maketh desolate set up, **there shall be a thousand two hundred and ninety days**”.

Folks, the 70th Week of Daniel is **NOT** broken down into 2 periods of 1260 days (a total of 2520 days) as is commonly taught.

The 70th Week is simply the passage of normal TIME, just as the previous 69 “weeks” were!

So from the time that the “*abomination that maketh desolate*” is set up until “*the end*” (which is the 2nd Advent-Daniel 12:9), there are 1290 days.

Looking at the chart, you can see that 1290 days from “*the end*” (2nd Advent) takes you to the “*midst of the week*” when the “*image*” and “*mark*” of the antichrist is going to be forced upon the people (Revelation 13). This is the “*hour of temptation*” found in Revelation 3:10. The “*hour of temptation*” is simply the temptation to worship the dragon in the person of his antichrist and take his mark to save your life.

The antichrist is given 42 months (1260 days) to reign before he and the false prophet are destroyed by Christ Himself (Revelation 13:5). This 1260 day “reign” is shown on the chart. The antichrist’s reign begins on the day that the “*abomination that maketh desolate*” is set up.

Notice on the chart that the antichrist’s reign does not run all the way through to “*the end*” (2nd Advent). There are 30 days (a full month) left before the 2nd Advent to allow time for Christ to dispose of the antichrist and false prophet, the binding of Satan, the battle of Armageddon, the rescue of the Jewish remnant in Bozrah, and the triumphal entry of the Lord Jesus Christ into Jerusalem to be crowned King of Israel by the Sanhedrin on Rosh Hashanah 2014!

Daniel 12:12-*"Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days. 13: But go thou thy way till the end be: for thou shalt rest, and stand in thy lot at the end of the days"*.

Daniel is told that he is going to "rest" (he is going to die) and go his "way" until "the end be". Daniel is told that he will stand in his "lot" or inheritance "at the end of the days (**THE 1335 DAYS**)".

Why is there going to be a blessing for waiting? (*"Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days"*). That word for "waiteth" is a word that means a VERY LONG PERIOD OF TIME.

Romans 14:10-*"... for we shall all stand before the judgment seat of Christ"*.

This includes the Church Age saints, as well as the saints that lived and died before the cross. The "lot" of every saved saint is to stand at the judgment seat of Christ!

There it is folks! There's the "blessing" for waiting and coming **TO** the 1335 days! There is the timing of the resurrection of the "dead in Christ" and the Rapture of those who are "alive and remain"! **It is given as occurring 1335 days prior to the 2nd Advent!**

Go to www.hebcal.com and pull up the calendar for the year of 2014.

The 2nd Advent will occur on September 25, 2014 (Rosh Hashanah). The 70th Week ends the day BEFORE Rosh Hashanah 2014, for Rosh 2014 actually begins at 6pm on the 24th! The day BEFORE Rosh Hashanah 2014 is the 1335th day!

Looking at the chart, you see that the resurrection (and subsequent Rapture) occurs 1335 days before the 2nd Advent (Rosh 2014).

This takes you to January 26-27, 2011 as the date(at least great possibility) of the resurrection/rapture!

Once the Rapture takes place, those who are left behind will enter into a period of time that Jesus described as *“great tribulation”* (Matthew 24). This period of time lasts 3 and ½ years and billions will die according to the Book of Revelation.

Jesus said *“For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be”* (Matthew 24:21) .

Why? Because it will be the first time that Satan and his angels will have been cast out of heaven and confined to the earth, with Satan full of wrath.

Revelation 12:12-*“Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time”*.

This is why Christ said that the time of *“great tribulation”* will be different even from the time of Noah (the Flood) and has never happened since the beginning of the world!

Those who are left behind after the Rapture are unsaved people. Many were very religious and sincere people, but they were never *“born again”* as Jesus stated in John chapter 3 verses 3 through 7. Many people from all *“religions”* (including those of so-called *“Christian”* churches) will be left behind because they had never been truly saved.

The visible event (people will be disappearing right before their eyes) of the Rapture will be the *“sign”* to the world of God’s power. Many will repent toward God and believe on the Lord Jesus Christ as a result, but they will then find themselves in a world that will quickly spiral out of control during the Great Tribulation.

These people will be living in a world where they will be tempted to worship the antichrist as God (see Second Thessalonians 2:4) and take his *“mark”* in order to save their lives and continue to sustain their financial existence. Those who miss the Rapture, but are later truly saved (born again by faith in the atoning sacrifice of Christ) will be killed for their faith according to Revelation chapters 6 and 13. It is better to lose your life than to lose your soul.

But will those who do come to the saving grace and knowledge of the truth in Jesus Christ during the Great Tribulation even care about their own lives?

The answer is NO!

Revelation 12:11-*“And they overcame him (THE ANTICHRIST) by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death”*.

Having witnessed (first hand) the visible manifestation (the Rapture) of God’s power, these believers (those who get saved after the Rapture) in the Great Tribulation will be willing to die for the sake of Christ, rather than worship the antichrist and take his “*mark*”.

If you are wondering how these things can possibly be happening now, then you should check the website on the subjects of the “Doctrine of Imminence” and the “Advocacy of Christ” to see how and why they are so very important to the study of Bible prophecy.

These subjects show that the absolute soonest that Christ can come for the Rapture is when Satan is no longer able to accuse and is kicked out of heaven. The amount of time remaining after this event is stated to be 3 and ½ years. There is no such thing as a “seven year tribulation period”!

This is why the Church is here for the first half of the 70th Week and explains why we are still here now!

What is the purpose or reason for all of these revelations from Jacob’s Trouble as found throughout this article?

It is to show WHEN the 70th Week began and WHY the Church (the saved body of believers) is still here NOW for the first half of the 70th Week. God’s true believers will soon be removed (via the Rapture) and the Great Tribulation will begin. Come to Christ now for salvation. Don’t put it off.
