

Information Concerning Video Teaching Presentation

The Video files at this website are able to be downloaded from the "Google" button at the bottom right of each chapter opened. However, the video quality will not improve from the streaming that is seen over the internet. And that is too bad.

But for a limited time Kevin Drake and myself are offering to send free of charge a clear DVD copy of the video! We will be mailing them out starting January 1st – 2010, for 2 months only (we will stop mailing March 1st)!

We will be taking requests for these DVD's starting now, with a confirmation of request coming back to you asap. All we need with the request is your name and address. Like I said, there is no charge, not even for shipping. And please, only 1 copy per household/ address.

If you feel like you need more, then please by all means make copy of them and distribute them as the Lord moves you to do so. There is NO COPYRIGHT to any of the information presented at this website, in the video or the printed documents/ commentaries formats!

Please send requests to:
hubdad@aol.com or to, drakes67@gmail.com

May the Lord Bless you with the information concerning His Coming and establishing of His Kingdom!

In Looking for His SOON Coming and Kingdom;

Phil Rogers and Kevin Drake
