

Personal Signs to Philip & Mary

The following is a recap of 5 remarkable “personal signs” that my wife (Mary) and I encountered while preaching on and of the 2nd Coming of our Lord Jesus Christ and the establishing of His Kingdom.

What I believe that I have been called to preach and teach of the Lord’s Coming is that of “God’s Timeline”! And with this understanding through the scriptures and historical fulfilling of them is that of “Jacob’s Trouble” (along with many other subjects)!

Now the phrase and relative timing of Jacob’s Trouble is found in Jer. 30: 7 Alas! for **that day is great**, so that **none is like it**: it is even **the time of Jacob's trouble**; but he shall be saved out of it.

And then to the more detailed accounting of this time of Jacob’s trouble is found in Gen.29-32. In that is the account of Jacob laboring for the love of his life, Rachel for **3 sets of 7 years**, or 7+7+7; **777!**

Now here are the “signs” that occurred while preaching on these 3 sets of 7 years to the Coming of Jesus Christ and His Kingdom!

It began on 5-13-09 with my wife and I having dinner out. At that dinner the charge that I signed for was for **55** dollars. On the completion of that dinner I left **3** business cards (**2 to the waiter and 1 on the table- don’t ask why, I don’t know why I did it that way because I leave them randomly everywhere I go**) that have my website on what I preach concerning Christ’s Coming and these 3 sets of seven years-**777!** Upon returning home and entering that charge into my bank register (the next morning, **5-14-09**) the dollar amount reflected **777** dollars! That is amazing but not that high to the degree of probability! But it gets better! The next morning of the 15th was the last day that I could electronically reconcile my charges from two days earlier. The reason was that my bank was shutting down internet banking for transition from my old bank to the new one which acquired it.

It was **5** days later that I had to sign up with my new bank (**old one failed and was taken over by new bank- direct result of Jacob’s trouble and the collapse of the stock market on Rosh Hashanah 2008! And the Dow margin of decline on that day was – 777.68!**), for electronic banking and (ok, get this) noticed that my NEW BANK ISSUED personal check card with MY PERSONAL ID # (last 4 digits is the personal #) was **7775!** Now what is the probability of a bank issuing a card with 12 digits of possible bank card I.D.’s to a person who is and has been teaching on these 3 (**777**) consecutive sevens?? And since this has to do with finances, notice that the days between posting of the charge and receiving the info of my new bank card #

was **5** days, and that the charge itself was **55** dollars to be able to produce the 777 dollar balance! Also a lot of “5’s are being shown! Now just take the Dow decline on Tisthi 1st and parse between the 2 – 7’s and the 3rd (77- 768) and then insert the # 5 in front of the last three #’s (**5786**), and guess what? This is the exact Jewish year that just ended when the collapse began! And this # 5 is reflected at the END of my bank card? Again I ask, what are the mathematical odds of probability that this can happen? Ok, with this 2nd sign of my personal bank card being done let me move on to the 3rd sign in regards to my preaching of Christ’s Coming Kingdom and God’s Timeline.

It is now **June 3rd**, and Mary, my wife has a doctor’s appointment with a “pain specialist”! I was not intending to go with her, but with the threat of severe thunderstorms and rain, I decided to go with her and drive. When we arrived at the Dr.’s office building (details of her infirmity are not important! Now keep in mind that even this Doctor was ASSIGNED by Her Insurance Company! Mary had no say in the selection of this Doctor or where His office was or that of His office room #!), I had to let her out and proceed to the office ahead of me as I had to take time to park our vehicle. She reminded me that the Dr’s office was on **the 3rd floor!**

As I was coming into the building I looked up and noticed the address of the Dr’s office. It was **4500** ...whatever the street was. With all that has happened just so very recently this # piqued my interest! I had already noticed that we were going up to the **3rd floor!** Now upon arriving at the Dr’s office, I noticed that the room # was **305!** Now I was thinking that this was getting very strange in regard to these numerical “coincidences”!

I sat down with Mary to wait as the appointments were a little backed up and taking a piece of paper wrote out for Mary the numerical coincidences and a “possible meaning” if this was to be another “sign” or not. What I wrote out was that of the part of the address in the **45**. Then that of “GOING UP” to the **3rd floor!** And then entering the room **305** (of which I parsed to 30 and the 5). Now it is absolutely remarkable that I am teaching that at the time that the “resurrection/ rapture (BTW- for light reading I had brought along Tim Lahaye’s novel titled “The RAPTURE”. It serves not only as entertainment but also as a witnessing tool to start up conversation) happens that... now here it goes... there will be a **45** day window from the “resurrection/ RAPTURE” in which we will be **going up to the 3rd Heaven**, at which also the time of preparation for ministry is complete (**seen in the 30-Christ’s age upon starting His ministry**) and the ministry of the 2 witnesses begin, by the Grace of God as seen in the # **5!** And **THIS HAPPENED ON THE 3rd DAY**- Reference to Hosea’s “**in the 3rd day we shall live in His sight**”!! Yes it was the **3rd** of June, 2009! This is pretty remarkable since

Mary had no say or control in any of this. Even to the ASSIGNED DAY of her appointment! Mary looked at this (what I had written down from OBSERVATION), smiled and nodded!

Now is this is not remarkable to exactly what I am teaching and preaching?? The Lord then continues to make this VERY PERSONAL to the both of us!!!

As we are then further waiting for Mary to be called to see the Dr. (I'm reading my book- Mary a magazine) in walks a married couple and sits down a couple of seats from us. The woman is the one for which they are there as is my wife, Mary! Conversation starts up because of their common reason for being there- their pain and suffering! The conversation progresses to that of both having to need a lawyer because of their infirmities. The woman who came in said that her lawyer was a good one and got settlement quickly! Mary's lawyer is a lazy shyster and Mary has not received any workman's compensation for almost a year (job related injury). I put my two cents in about this sham of a lawyer and I'm NOT QUIET about it!

The woman then offers to give us the phone # of her lawyer and rummages around in her purse for it but to no avail since her case has been resolved. She then said that she will call home to a FRIEND and get the phone #! (To this point NO NAMES are mentioned between the 4 of us) Here is where it gets personal to us and almost unbelievable!!

The woman calls on her cell phone as says..."MARY, this is GAIL, I need the phone # of my Lawyer please"!

My wife and I upon hearing this looked at each other with eyes wide and smiled to each other! For you see; (this is a second marriage for Mary and I) **MY ONLY DAUGHTER IS NAMED GAIL!!!!**

We took the phone # from Gail, and Mary then got called to her appointment! As She was going in, I said to her and loud enough that everyone in the waiting room can hear including the Dr's receptionist behind her glass partition..."Don't worry sweetheart, you will only have to endure this pain and suffering for another 20 months"! Mary nodded and said quietly, "I know"! And then she went on in.

As I said this to her I noticed that everyone was looking at me questioningly, including the couple we were talking to. Since they did, I held up the book of Lahaye's – "the RAPTURE", and asked if they had ever heard of this Christian concept. The husband then said, "oh yes, we are both Christians and in fact, I perform in a Christian rock band."

I then started to preach on the 2nd Coming of Christ/ and the errant doctrine of Imminence and Jacob's trouble. I did not get too far before they

were being called to Gail's appointment! The husband waited long enough to ask if he can find out about more of this! I produced 2 business card with the website to God's Timeline, Amazing Facts and Coincidences, Or Are They." He also asked if he could have my personal phone #'s so that when he has gone through the material he could call with any further questions. I said, "Sure, I talk to people across the nation on this all the time", and gave him the 2 cards.

As he took the cards, he asked for my name and I told him and he said (HOLD ON TO YOUR HATS) "My name is **MICHAEL**"!! And then went in to join his wife Gail!

NOW **MICHAEL IS THE NAME OF MY ONLY SON!!!!!!**

Do you see just how PERSONAL this sign concerning the preaching of Christ's Coming is to BOTH Mary and I! Besides the above mentioned numerical IMPROBABILITIES, what would be the mathematical probabilities that on this very day (3rd) that, 2 professing Christians would be coming into that office with the VERY SAME NAMES AS BOTH MY CHILDREN and calling to a FRIEND whose name is MARY! Just as these two are of one family (Michael and Gail) BUT MARY IS NOT THEIR MOTHER, BUT THEIR FRIEND!!!

When Michael told me his name, I was not surprised! When my Wife was finished and came out to leave, I regaled her with the information that she already knew of before going into her appointment! I then asked her, "You now KNOW the name of the woman's husband, DON'T YOU?" Mary said, "Yes, but don't tell me, it IS MICHAEL!" As I told her YES IT IS, her eyes got wide and her face started going white! But she then just smiled!

I then told her that this sign is meant for the BOTH of US, and OTHERS, and that God was showing her that she is very much involved with my preaching of Christ's 2nd Coming and that of His Kingdom!

By the way; these signs STARTED on **May 14th** (interesting that it is the same date as the rebirth of the Nation of Israel!) in the morning with the checkbook balancing to the dollar amount of 777 dollars and concluded EXACTLY 3 WEEKS (**7+7+7=21 days/years**) or 21 days later on June 3rd!!!! (**The 4th Sign**) Again, what are the mathematical odds of this????

Also with the instigation of these signs on May 13th with dinner and a billing payment of \$ 55.00, to produce the \$ 777. dollar on the 14th, it was exactly 22 days (**22, the Word of God**) in total. Or, $11+11 = 22$, (**the 5th Sign**) !!

Without any doubt in my heart, mind, and soul that what the Lord has called me to teach concerning His Coming and WHY it is so, is the TRUTH of God's Word!! Especially when you flat out consider the odds then of

prophetic scripture being HISTORICALLY FULFILLED, TO THE DAY and TO THE YEAR!!!

Now to the almost unbelievable occurrences of these "signs" and to whom they are really meant for should be obvious. For you see, LONG BEFORE these events happened, my wife and I had NO DOUBT as to what I'm preaching and teaching is the scriptural and historical truth. Therefore, God didn't need to REAFIRM TO US that these things are true, BUT to affirm to OTHERS that they are true and do indeed point right back to His Word and that of His 2nd Coming and Kingdom.

The website in question that I refer to of the fulfilling of these "signs" is:

<http://www.godstimeline.net/>

I look forward to Your Coming Kingdom Lord Jesus:

Phil Rogers
