

# Sets and Subsets of Sevens

[www.godstimeline.net](http://www.godstimeline.net)

66 total years  
(1948 to 2014)

**Daniel's 70<sup>th</sup> Week**

42 years (1948 to 1990)  
Rebirth to beginning of the signs of the Lord's Day  
**Two sets of (7-7-7)**

21 years (1993 to 2014)  
The Time of Jacob's Trouble  
**One set of (7-7-7)**

**Total of 9 sevens**  
**Total of three (3) sets of (7-7-7)**

The 3 sets of (7-7-7) are prophetic of Hosea 6:2. The 42 years can be broken down into six sevens and two sets of 21 which is written as two sets of (7-7-7). The third set of (7-7-7) is found within the time of Jacob's Trouble (21 years total). The 42 and the 21 added together make 63 which is 21 (7-7-7) x 3. There is a gap of 3 years between 1990 and 1993, the start of Jacob's Trouble. I am unsure of the significance of this 3 year "gap".

The 42 years (two sets/days of 7-7-7) represent the "two days" of Hosea 6:2. The 21 years of Jacob's Trouble (the one set of 7-7-7) represents the "third day" of Hosea 6:2, for the Lord returns at the end of Jacob's Trouble to save Israel (Jeremiah 30:7).

The 66 years (rebirth to Advent: 1948 to 2014) can be subdivided into segments of time that match the pattern of "6 plus 1" that is so evident in the six days of creation (in the Genesis account), as well as the "1 plus 6" pattern found in the 3<sup>rd</sup> week of the time of Jacob's Trouble (that being of the Sabbatical Year followed by the six years of labor by Jacob).

Therefore the 66 years from the rebirth of Israel unto the 2<sup>nd</sup> Advent are divided by SIX periods of time, with the 2<sup>nd</sup> Advent being outside of the previous 6 "days". This shows ELEVEN 6 year periods from the rebirth to the Advent (66 divided by 6=11). Christ will set up His kingdom and government following the 2<sup>nd</sup> Advent. His kingdom occurs after the eleven previous periods of 6 years each have ended. The following 12<sup>th</sup> segment is the period of Christ's GOVERNMENT (Isaiah 9:7). The number 12 is the number of GOVERNMENT, especially JEWISH government!

Notice that after the three sevens of the time of Jacob's Trouble are completed, the 2<sup>nd</sup> Advent occurs. The Author of (7-7-7) shows up and He is the **fourth** set of (7-7-7)! He is likened to the "Sun" in Malachi 4:2 and the creation of the "sun" on the **FOURTH** day of the Creation account typifies both of His Advents.

The Sabbatical Year followed by the 6 years of labor by Jacob during the 3<sup>rd</sup> "week" (Daniel's 70<sup>th</sup> Week) is the reverse pattern of "6 plus 1" that we find in the reckoning of the agricultural Sabbatical cycles. This "6 plus 1" pattern is also found in the Creation account in Genesis chapter 1.

The amount of time between the beginning of the Sabbatical cycle containing the rebirth of Israel (1945 to 1952) until the end of the Sabbatical cycle containing the Lord's Day (1994 to 2001) is 56 years, which is EIGHT sevens. The number 8 is the number of new beginnings!

There is also 21 years of time between the beginning of the signs of the Lord's Day (1990) until the resurrection/rapture in 2011.

Just as the Sabbatical Year preceded the "economic/wage crash", the 30 days before the Advent show the "crash" of the beast's mark system of commerce, for he is destroyed 30 days before the 2<sup>nd</sup> Advent by Christ!
