www.godstimeline.net

Rosh 1994 to Rosh 2001 is a seven year Sabbatical cycle for example. The last year in the cycle (the 7th year) is the Sabbatical year (Rosh 2000 to Rosh 2001). Each Sabbatical cycle has 6 years **plus** the one year Sabbath year (called the “Shmita year” or Sabbatical year) for a total of 7 years.

Example cycle:

1994/ 95	1995/ 96	1996/ 97	1997 /98	1998/ 99	1999/ 00	2000/01
